

The **United Nations** Multilateral Response to COVID-19

Global Humanitarian Response Plan (GHRP)

OCHA

Strategic Preparedness and Response Plan (SPRP)

WHO

UN Socio-Economic Framework

(and other country socio-economic plans/frameworks)

UNDP/DCO

Summary

Humanitarian

Global Humanitarian Response Plan (GHRP)

OCHA

Purpose: Strategic plan and resource mobilisation vehicle

Objective and scope: Respond to immediate health and multi-sectoral humanitarian needs in especially vulnerable countries

Who benefits: The most vulnerable people in 63 countries already facing a humanitarian or refugee crisis, or with high levels of vulnerability

Who implements: Humanitarian Country Teams (HCT), UN Agencies, national and international NGOs

Who is responsible for developing and monitoring the plan: OCHA, in collaboration with HCTs, UN Agencies, NGOs

Health

Strategic Preparedness and Response Plan (SPRP)

WHO

Purpose: Strategic plan and resource mobilisation vehicle

Objective and scope: Support public health measures to stop transmission of the virus and care for those affected

Who benefits: People in all countries affected by the pandemic or at risk

Who implements: WHO and all national and international partners supporting national governments

Who is responsible for developing and monitoring the plan: WHO, in collaboration with national governments, HCTs and UN Country Teams

Development

UN Socio-Economic Framework

(and other country socio-economic plans/frameworks)

UNDP/DCO

Purpose: Programming framework

Objective and scope: Mitigate the social and economic impact of COVID-19

Who benefits: Vulnerable people in 162 countries covered by 129 UN Resident Coordinators

Who implements: The UN Development System and all national and international partners supporting national governments, through country teams led by Resident Coordinators

Who is responsible for developing the plans: UN Development Cooperation Office, UN Country Teams under the leadership of the Resident Coordinator and as technical lead UNDP, national governments

Global Humanitarian Response Plan for COVID-19 (GHRP)

Funding requirements

\$6.69 billion for 2020

(includes \$1 billion for shared services such as air bridge, logistics, and procurement)

-

Strategic Priorities (SP)

1. Contain the spread of the COVID-19 pandemic and decrease morbidity and mortality
2. Decrease the deterioration of human assets and rights, social cohesion and livelihoods
3. Protect, assist and advocate for refugees, IDPs, migrants and host communities particularly vulnerable to the pandemic

HRP: Humanitarian Response Plan / RRP: Regional Refugee Response Plan /
RMRP: Regional Refugee and Migrant Response Plan

WHO's COVID-19 Strategic Preparedness and Response Plan (SPRP)

Funding requirements

- All countries have costed national action plans
- Organizations supporting countries have their own appeals

Eight pillars of public health response

1. Country-level coordination, planning, and monitoring
2. Risk communication and community engagement
3. Surveillance, rapid response teams, and case
4. Points of entry
5. National laboratories
6. Infection prevention and control
7. Case management
8. Operational support and logistics

+ *Maintaining essential health services and systems*

UN framework for the immediate socio-economic response to COVID-19

There will be no global costing figure

-

The framework supports **five work streams**:

1. Protecting health services and systems
2. Social protection and basic services
3. Protecting jobs and small and medium-sized enterprises
4. Macroeconomic response and multilateral collaboration
5. Social cohesion and community resilience

Country frameworks
(UN and national plans)

Governments'
Socio-Economic Plans

UN Socio-Economic Framework

The three components are complementary

* UN Cooperation Frameworks (prepared by the UNCTs), Agency and Inter-Agency appeals (led by RCs), and National Plans

Funding the United Nations COVID-19 multilateral response
